

NITIDA

HANDMADE IS AN ATTITUDE

CABERNET SAUVIGNON 2015

Tasting Notes

Bold yet beautiful. An experience of contrasts. Traditional expectations are effortlessly met, before a more contemporary journey through dimensions of raw cocoa, worked leather, black currants, dried oregano and rosemary begins. Will glamorize the heartiest of lamb shank pot pies with any of your best friends.

Winemakers Comments

Great wine is made in the vineyard', this being ever-true in the case of Cabernet Sauvignon. Durbanville's cool, maritime climate is suited for the production of elegantly styled Cabernet Sauvignon characterised by concentrated fruit flavours and soft, plush tannins.

Leaves were removed in the bunch zone on the south side of the canopy that improved sunlight penetration in the bunch zones to ensure optimal ripening conditions. This also increases the bud fertility for the vine in years to come. Small berries and tiny bunches results in high fruit concentration of the juice at harvest and results in a complex, concentrated wine in the bottle. Grapes are hand harvested at full phenolic ripeness, destemmed and the individual berries are sorted.

Fermentation takes place in open fermenters with punch downs every four hours. The wine is left on the skins for a further three weeks after fermentation before the wine is pressed.

The wine was matured in French oak barrels for 12 months (30% new oak) followed by a light filtration prior to bottling.

This wine will develop further complexity with careful cellaring.

VITICULTURAL DETAILS

Cultivar: 100% Cabernet Sauvignon
Vintage: 2015
GPS Co-Ordinates: 33 50'9"S, 18 35'31"E
Soil Type: Hutton

TECHNICAL DATA

Alcohol: 14.0%
Residual Sugar: 2.3g/L
Total Acidity: 6.1g/L
pH: 3.76
