

# NITÍDA

## CHARDONNAY 2013

### Tasting Notes

Stylishly flaunts wooded finesse, honey-cruch and brilliant soft acids. Gorgeous kiwi fruits, hints of orange zest and musky allusions gets you yearning for honey glazed Christmas ham,s teak tartare or veal with sage butter sauce!

### Winemakers Comments

Chardonnay is typically prone to uneven budding and subsequently variable fruit development. The cold, wet winter of 2012 proved most beneficial ensuring even budding and optimal ripening to harvest. Our annual southerly winds, particularly those during the growing season, ensured healthy, compact bunch. The grapes were harvested on 14th of February at 22 - 23.5°B.

### TECHNICAL DATA

Alcohol: 13.0%  
Residual Sugar: 2.7g/L  
Total Acidity: 7.3g/L  
pH: 3.42
